# The University of Technology Sydney

UTS offers international, innovative and industry-relevant education in the heart of the global city of Sydney.

## Why choose UTS?

UTS takes a global approach to education that has innovation at its core. UTS is a university for the real world. All courses are closely aligned with industry needs, so what you learn will prepare you for your future career.

## Campus of the future

UTS has invested \$1.3 billion in creating a dynamic and interconnected campus of the future, with award-winning buildings, state-of-the-art facilities and sustainable design.

## Practice-oriented education

UTS is committed to hands-on practical learning. Major projects, group work and real-life case studies are key to this practice-based approach, giving you the skills you need to impress future employers.

## Our students come first

UTS provides support services including: English language support; study support; career development; confidential medical and counselling services; sports organisations and facilities; peer networking and peer support opportunities; and housing support.

## Connections that count

All UTS faculties are led by industry advisory boards and course content is developed in close collaboration with industry partners. Many courses are also accredited by professional associations so, when you graduate, your degree will be recognised across your chosen sector.

## Research that counts

UTS has a growing reputation for future-focused research in emerging disciplines, centred around five theme areas: health, data science, sustainability, future work, and industry and social futures.

## More than just a job

The UTS Careers Service offers free careers consultations, résumé reviews and employment workshops - all designed to enhance your employment prospects. You can also access student job boards, industry career fairs and international alumni networks.

“I love that I work in a company where the mission is to bring the world closer together.”

# Reasons to choose UTS College

## Guaranteed entry to UTS

Study a UTS College diploma and when you successfully complete your studies, you'll receive guaranteed entry to the corresponding UTS undergraduate degree\*.

## Big in support. Small in size

Enjoy a range of support services freely accessible to all UTS College students, including our Learning Support Program, one-on-one tutorials, study skills workshops, and full-time dedicated academic advisers.

## Part of UTS

Our diplomas are designed in collaboration with UTS. This means the educational outcomes for diploma students are the same as for first year students studying a UTS undergraduate degree.

## Latest technology and facilities

You'll have access to high-tech lecture theatres and classrooms, an English Learning Centre and purpose-built computer labs. As an academic student, you'll have access to UTS facilities including the world-class library.

## Leading the way

Our Leadership Program, valued at A\$2,000, is offered to top performing international students and focuses on developing the skills needed for the Australian workplace. The program includes a six-week work experience program.

## A better way to learn

You'll develop life-long learning skills, not just course subjects. This prepares you to evolve and adapt to challenges and opportunities not just for today, but in the future.

# Pathways – your way to UTS

## Which program is right for you?

### English Programs

Our English programs provide you with the English language and academic literacy skills required for entry to a western university.

Choose from a range of programs to suit your skill level: Academic English for Foundation, Diploma, or Degree.

### UTS Foundation Studies

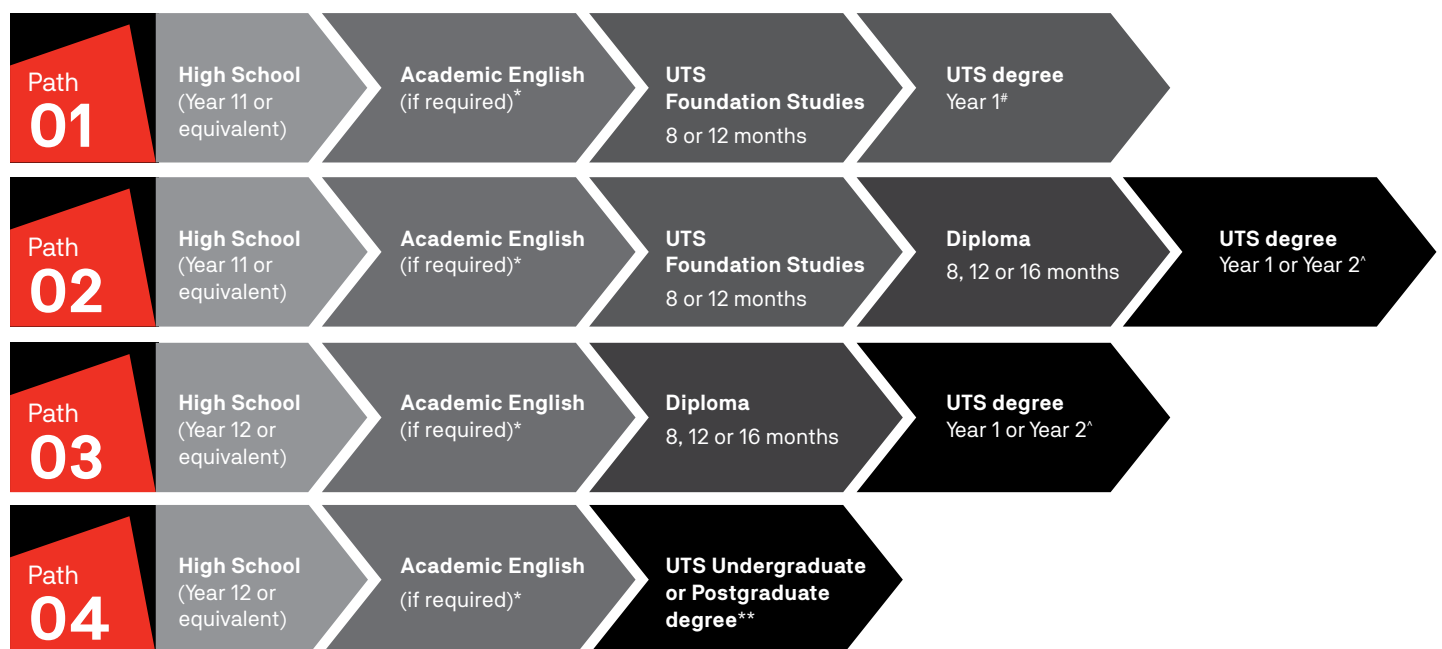

Our preparation program is designed for successful year 11 international high school graduates and provides pathways to UTS College diplomas or, for successful students, entry into the first year of any undergraduate degree at UTS.

UTS Foundation Studies is offered on behalf of UTS and delivered by UTS College specifically for international students, so you'll be surrounded by your peers and develop strong support networks.

### Diploma Programs

Our diplomas are ideal if you don't meet the academic or English language requirements for entry into a UTS degree straight away.

Diplomas are delivered at a pace that suits you, with the option of our Standard or Accelerated programs, or you can combine your study with learning English and take the Extended pathway.

\*You will only be required to enter a UTS College Academic English program if you do not meet the English language entry requirements.

^The point where you enter into your UTS degree will depend on your major and is based on no more than two subject failures. Not all majors will take you into second year. Please refer to the individual course pages in this guide for full credit point details.

\*This pathway is only available if you achieve the required Grade Point Average (GPA).

\*\*Successful completion of AE5 satisfies the English Language Admission requirements for most UTS Undergraduate and Postgraduate degrees. For specific details of UTS English entry requirements please refer to the individual faculty pages on the UTS website.

# English Programs

Studying English with UTS College means you will be studying English with one of the top language providers in Australia, with more than 25 years' experience delivering quality English programs to international students.

The duration of your English language program depends on your level of English upon entry and your intended pathway.

# UTS Foundation Studies

The duration of your UTS Foundation Studies depends on your academic level. Please check Academic Entry Requirements on pages 15-18 for details.

## Standard (2 semesters – 8 months)

When you choose our Standard program, you'll be learning skills that will prepare you for studying at university. The program provides pathways to our diploma or, for successful students, entry into the first year of any undergraduate degree at UTS.

## Extended (3 semesters – 12 months)

When you choose our Extended program, you're opting for a little more time to build the skills you need, establish yourself in the student community and settle in. The program provides pathways to our diploma programs or, for successful students, entry into the first year of any undergraduate degree at UTS.

# UTS College Diploma Programs

Developed in consultation with UTS faculties, our diploma programs are designed to support and prepare you for your UTS undergraduate degree. Most of our diploma programs provide between 36-48 credit points towards the corresponding UTS degree.

The duration of your diploma depends on your level of English. Please check English Language Entry Requirements on page 14 for details.

## Accelerated (2 semesters – 8 months)

This program has the same subjects as first year UTS\*. As it is the fastest way to get into a UTS degree, the workload is more intense.

## Standard (3 semesters – 12 months)

This program has the same subjects as first year UTS\* and the content is the same as the Accelerated program. Paced over 12 months, it allows more time to improve your skills while adjusting to Australian higher-education life.

## Choose from:

### Diploma of Business

Upon completion of our business diploma, you will be able to demonstrate a good understanding of everyday business functions such as accounting, finance, marketing and management that are practised across global organisations. You will be also equipped with transferable skills and ethical values for your further study at UTS and future business career.

### Diploma of Communication

From day one, you'll be learning from our highly-qualified lecturers who also bring current industry knowledge in gamified, cutting-edge digital and social media communication to the learning experience.

### Diploma of Design and Architecture

Our program is packed with opportunities to explore your design passion whether it's architecture, interiors, animation, graphics, products or fashion. The diploma culminates in a work-ready portfolio and collaborative final exhibition.

\*Business, Communication, Engineering, Information Technology subjects provide 48 credit points towards their corresponding UTS degrees. Science subjects provide up to 48 points towards UTS Science degrees. Design and Architecture subjects provide 36 credit points towards UTS Design degrees.

<sup>#</sup>Based on successful completion of your diploma with no more than two subject failures.  
<sup>#</sup>The point where you enter into your UTS Bachelor degree will depend on your major and is based on no more than two subject failures in your UTS College diploma.

## Extended (4 semesters – 16 months)

This program has the same subjects as first year UTS\* plus, in the first semester, you will study additional enabling subjects and Academic English or Academic Communication, based on your English level.

### Diploma of Engineering

Engineering makes the world go around, from saving lives with medical devices to solving sanitation issues for remote communities. Rewarding, challenging and fun, our Diploma of Engineering is the perfect preparation to embark on a career in engineering.

### Diploma of Information Technology

We're nurturing tomorrow's IT pioneers, from web designers to software engineers and application architects. Our program develops your skills in different aspects of computing and information technology, with options to gain in-depth knowledge alongside your core subjects.

### Diploma of Science

The Diploma of Science is designed to empower you to apply scientific thinking and analysis to important issues impacting the world today. Your work as a scientist has the potential to change the future and help solve some of the challenges humanity faces.

# Student support

## Learning and ongoing academic support

### Orientation and preparation week

Get prepared for your studies and meet your teachers and fellow students.

### HELPS Centre

The centre runs activities offering teaching support, learning assistance sessions and speaking groups for English language students.

### One-on-one learning tutors

## Information for students who have completed high school in Australia

### The right level of English

If you are an international student and have undertaken your high school studies in the Australian education system, you will be required to sit the IELTS test or the PTE (Academic) test if:

- You have completed year 11 and have an English Second Language (ESL) mark of less than 60%
- You have achieved a low average mark for English in the HSC.

If you proceed directly from a UTS College English program to UTS, you will need to have completed AE5 to get into most UTS degrees. Several UTS degree courses require a higher level of English proficiency than AE5.

# How To Apply

## Step 1

### Apply through an authorised UTS College agent in your country of residence

International students must apply through an authorised UTS College agent. Please visit [utscollege.edu.au/how-to-apply/international-student-applications/find-an-agent](https://utscollege.edu.au/how-to-apply/international-student-applications/find-an-agent) to find an authorised agent in your country.

Certified copies of English qualifications and academic transcripts (translated into English) must accompany all applications.

Please visit [utscollege.edu.au/how-to-apply](https://utscollege.edu.au/how-to-apply) for further information.

## Step 2

### Acknowledgement of your application

You will receive notification of the outcome of your application. If you are successful, we will send you an offer letter with details of your course and required fees.

## Step 3

### Paying your fees and accepting your offer

To accept your offer you must pay your fees and accept your offer. You should pay in Australian dollars via Flywire (our preferred method of payment).

We recommend that you pay your fees early to secure a place on the course you want, and to allow sufficient time for visa processing.

## Step 4

### Receiving your Confirmation of Enrolment (CoE)

When we receive your fee payment and acceptance, UTS College will issue you with a Confirmation of Enrolment (CoE), which is required for your student visa.

If you decide to apply for a package visa to cover the duration of both your UTS College course(s) and your UTS degree, you will also need a CoE for your UTS degree course and will need to pay an administration fee of A\$110.

For more detailed information about enrolment at UTS College, please visit [utscollege.edu.au/how-to-apply/international-student-applications](https://utscollege.edu.au/how-to-apply/international-student-applications)
