

Under 18 Information Sheet

Welcome to Scape Sydney

We are glad to have you stay with us! This handy information sheet provides an overview of U18 life at Scape and contains important information about living at Scape as an Under 18 Student.

Curfew

Each night you must sign in at Reception between 09:30 PM – 10:00 PM. You will be asked to show your student ID at sign in. Once you have signed the curfew register you are not permitted to leave the building overnight. It may be helpful to set an alarm each night, as a late sign-in is considered a breach of curfew.

Missing Curfew

If you would like to miss curfew, you must seek approval from your University/College prior. If you are planning a holiday, you will also need permission from your University/College. If you miss curfew your University and guardian will be informed. This is a breach of your contract.

Visitors

Scape is your new home, and we want you to share this space with your friends. However, as an Under 18 student there are some restrictions you will need to be aware of. You are not permitted to have visitors in your apartment past 10:00 PM or to have guests stay overnight regardless of the room type you have chosen.

Turning 18

Happy Birthday! Congratulations!

You are now a legal adult in Australia and therefore no longer need to sign in for curfew. Turning 18 does not affect your tenancy agreement with Scape, in fact most students living with us are over 18. You have a fixed term agreement with Scape and your age is not a valid reason to end your lease early.

Alcohol and Drugs

Australian law does not permit anyone under the age of 18 to consume alcohol and all recreational drugs are illegal, banned substances. All instances relating to alcohol or drugs will be reported to your guardian.

Cleaning

While living at Scape, we expect all residents to take care of their apartments and keep them clean – in both shared areas and your own individual bedrooms. For many of you this is the first time living away from family, and you may not be familiar with how to keep your apartment clean. Our Scape Team are always happy to show you what cleaning products to use and how to use them. Alternatively, upon request we can arrange for a professional cleaner to clean your room or kitchen. Speak to our Reception team for cleaning costs.

Need Help?

There is a member of staff at the reception desk seven (7) days a week and we are here to help you! Whether you need help using your dishwasher, finding a place to buy groceries or organising something fun to do on your days off – we are here for you. There are so many new things to learn when you move away from home and settling in can take some time. Please feel free to chat with us to help make Scape your home.
