

Future innovators Scholarship A\$10,000

Available now for students from
Brazil, Colombia, Mexico and Peru

If you're set on bringing new ideas to life think of University of Technology Sydney (UTS), one of Australia's most innovative universities.

At UTS Insearch our aim is to help you get into the degree program you want at UTS and thrive once you're there.

We want to encourage future innovators and leaders to bring your dreams to life by awarding the A\$10,000 scholarship towards any UTS Insearch academic program.

Advantages of the Future Innovators Scholarship

Return on investment

The A\$10,000 scholarship provides excellent value, regardless of which study program you choose.

Complete your degree in 3 years[^]

Study a higher education diploma program and fast track into the second year of your bachelor degree at UTS.^{*}

How to apply?

1. Contact your trusted education representative who will help you through the application process.
2. Submit up to 150 words in English to answer: *Why is innovation important to you?*
3. You must apply in 2020 to be eligible.

Applications are open now. For more information and terms and conditions go to: insearch.edu.au/FutureInnovator

^{*}With no more than two subject failures and depending on what course you choose

[^]Most degrees will finish within 3 years with exceptions in some Engineering and Design degrees
